| About this book | xi |
| Introduction | 1 |
| | |
| Chapter 1: Creating your first JavaServer Faces Web application | 5 |
| Introducing Web Applications and JavaServer Faces | 6 |
| Installing Rational Application Developer | 10 |
| Setting up a Web Project | 10 |
| Creating the Web Application | 16 |
| Running the Web Application | 38 |
| In Review | 44 |
| Exercise | 44 |
| References | 44 |
| | |
| Chapter 2: Using Web diagrams | 45 |
| Setting Up the Web Project | 46 |
| Creating the Web Diagram | 53 |
| Updating the Web Pages. | 62 |
| Running the Web Application | 79 |
| In Review | 83 |
| Exercise | 83 |
| | |
| Chapter 3: Using custom converters and validators | 85 |
| The JSF Life Cycle | 87 |
| Setting Up the Web Project | 89 |
| Creating the Web Page | 94 |
| Using a Custom Converter | 102 |
| Using a Custom Validator | 106 |
| Creating the Action Listeners | 109 |
| Running the Web Application | 110 |
| Running the Web Application in Debug Mode | 112 |
| In Review. | 117 |
| Exercise. | 118 |
| References | 118 |

| | | |
|-------------------|--|------------|
| Chapter 4: | Working with databases | 119 |
| | Introduction to Relational Databases. | 120 |
| | Creating the Database | 124 |
| | Creating the Data Model | 128 |
| | Deploying the Model. | 136 |
| | Working with Table Rows | 140 |
| | In Review. | 147 |
| | References | 147 |
| | | |
| Chapter 5: | Using Relational Record components | 149 |
| | Creating the Friends Web Page. | 151 |
| | Updating Friend Information. | 159 |
| | Adding New Friends | 171 |
| | Running the Web Application | 178 |
| | In Review. | 180 |
| | Exercise | 181 |
| | | |
| Chapter 6: | Using panel components | 183 |
| | Using a Form Box | 184 |
| | Using Menu and Action Bars | 201 |
| | Using a Section Panel | 214 |
| | In Review. | 227 |
| | Exercise | 227 |
| | | |
| Chapter 7: | Using Ajax with Faces Web pages | 229 |
| | Creating the Calculator Web Page | 231 |
| | Adding Ajax Behavior to the Web Page | 237 |
| | Creating the RestaurantSearch Web Application. | 240 |
| | Adding Ajax Behavior to the Web Application | 253 |
| | Using the Ajax Type-ahead Feature | 260 |
| | In Review. | 267 |
| | Exercise | 267 |
| | References | 267 |
| | | |
| Chapter 8: | Creating your first applet. | 269 |
| | Setting Up the Java Project. | 270 |
| | Your First Applet | 276 |
| | Limiting the Number of Entries | 292 |
| | Sorting the List. | 299 |

| | | |
|--------------------|--|------------|
| | Publishing Your Applet | 305 |
| | In Review. | 311 |
| | Exercise | 312 |
| | References | 312 |
| Chapter 9: | Creating your first application | 313 |
| | Updating Your Project | 314 |
| | Your First Application | 318 |
| | Adding Functionality to Your Application | 322 |
| | Working with Files | 328 |
| | Publishing Your Application | 333 |
| | In Review. | 337 |
| | Exercise | 338 |
| | References | 338 |
| Chapter 10: | Creating a file-manipulation subcomponent | 339 |
| | Creating a Subcomponent | 340 |
| | Adding File Dialogs | 347 |
| | Promoting Bean Features. | 353 |
| | Adding the Bean to the ToDoList Application. | 366 |
| | In Review. | 371 |
| | Exercise | 372 |
| Chapter 11: | Using layout managers | 373 |
| | BorderLayout Manager. | 375 |
| | FlowLayout Manager. | 381 |
| | Creating a Subcomponent with Radio Buttons | 392 |
| | CardLayout Manager. | 401 |
| | GridLayout Manager | 412 |
| | BoxLayout Manager | 413 |
| | GridBagLayout Manager. | 414 |
| | In Review. | 415 |
| | Exercise | 415 |
| Chapter 12: | Using Swing components | 417 |
| | Java Foundation Classes and Swing | 418 |
| | Creating a Swing Application | 421 |
| | Completing the SwingToDoList Application | 431 |

| | | |
|--------------------|--|------------|
| | Using Swing's Model-View-Controller Design | 438 |
| | Connecting Beans in the TimeModelDemo Application. | 444 |
| | Using JSlider and JProgressBar | 450 |
| | Swing Applets | 454 |
| | Changing the Look and Feel | 455 |
| | In Review. | 457 |
| | Exercise | 458 |
| | References | 458 |
| Chapter 13: | When something goes wrong: Debugging | 459 |
| | ImageProcessing: Menu Bar | 460 |
| | ImageProcessing: Functionality | 467 |
| | Debugging Events | 476 |
| | Debugging Logic Errors | 483 |
| | In Review. | 494 |
| | Exercise | 494 |
| | References | 495 |
| Chapter 14: | Using DB beans for database access | 497 |
| | Creating the MyFriends Database Application. | 498 |
| | Using the DBSelect Bean | 505 |
| | Completing the Application | 519 |
| | In Review. | 526 |
| | Exercises | 526 |
| Chapter 15: | Working with XML data | 529 |
| | Introduction to XML | 530 |
| | Creating the XML Schema and XML File. | 536 |
| | Setting Up the JavaBeans for the XML File | 544 |
| | Creating the MyBooks Application | 548 |
| | In Review. | 570 |
| | Until We Meet Again | 570 |
| Appendix | Java basics | 571 |
| | Object-oriented Terminology. | 571 |
| | What a Java Program Looks Like | 575 |
| | In Review. | 583 |
| | References | 583 |
